***Allergy Information** - Please inform your server of any allergens prior to ordering. Although we do offer gluten-free pizzas (Tuscan Sausage excluded), due to the nature of our kitchen and the use of a singular pizza oven, we cannot guarantee there is no cross contamination.

NEED TO KNOWS...

SAN MARZANO TOMATO

San Marzano tomatoes are grown in the particularly fertile volcanic soil at the foot of Mt. Vesuvius. Bursting with flavour and rich in vitamins.

'NDUJA (en-DOO-ya)

Spicy spreadable salami from Calabria. Made with a mix of pork, herbs and spices including a generous hit of Calabrian chilli peppers.

FIOR DI LATTE

Fresh, creamy and semi-soft cheese made in the style of Italian Mozzarella, perfect on our pizzas due to its superb melting characteristics.

BURRATA

An Italian cow's milk cheese made from mozzarella and cream. The outer casing is solid cheese, with soft cheese curds and cream packaged inside.

STRACIATELLA

A traditional Italian cheese, made from pulled mozzarella curds and cream. The gooey interior of a Burrata.

BOCCONCINI

Meaning 'little bites' in Italian. Small, semi-soft, rindless mozzarella pearls.

FRIARIELLI

A bitter, leafy green, with resemblance to broccoli. Particularly associated with Italian cuisine.

WHAT IS KAREN'S CRAVE?

Local to Penwortham, Karen's Crave is a brand of award-winning marinades. We use her Classic Marinade combined with Mayonnaise to make a curry style dip.

All our breads and pizzas are hand-stretched to approximately 12 inches. Our dough is made in the authentic Neapolitan style simply using flour, water, fresh yeast, and salt, with a double fermentation process for up to 36 hours. This gives you a light, easily digestible, full flavour of crust.
